Peter Pan Seafood Co., LLC: 206-728-6000 has job opening for Pollock Roe Technicians (2): Full time Seasonal, Temporary 1/1/2022~04/30/2022 (2 positions at King Cove-Aleutians East). Job duties: Pollock Roe technicians are responsible for production and quality control functions for manufacture of Pollock Roe. Separating and carefully picking up only the "Pollock Roe" from the other intestine without damaging delicate shape and thin skin of the sack that the roe is kept using only their hands. No tools or machines are used to do this job. Then technicians will sort roe into size, quality, and color; grade roe into 15 different grades according to established guidelines set by our company to meet Japanese fish roe market with speed required to preserve freshness as much as possible. Pack roe in different boxes according to each grade and catch areas of the fish. Inspect roe after it has been frozen to confirm quality. They will not be controlling the machine, but if they see any damage in eggs, then they will inform the foreman and then the foreman will instruct the engineer to adjust the machine so the eggs will not be damaged during separation from the other part of fish. Technicians must have min. 24 months total experience in Pollock roe processing & knowledge of Japanese mkt. requirements for roe products. Salary \$20.23/hr (40hrs/wk Mon-Fri @8am-5pm) plus OT @\$30.35/hr (up to 50hrs/wk) paid every two weeks; total number of work hours equal to at least 3/4 of the workdays of each 12-week period using a single workweek as its standard for computing wages due. If the worker completes 50% of work contract period, we will arrange and pay directly for transportation and subsistence from the place of recruitment to the place of work. Upon completion of the work contract or where the worker is dismissed earlier, we will pay for worker's reasonable costs of return transportation and subsistence back home or to the place the worker originally departed to work, except where the worker will not return due to subsequent employment with another employer. The amount of transportation payment or reimbursement will be equal to the most economical and reasonable common carrier for the distances involved. Daily subsistence will be provided at a rate of \$13.17 per day during travel to a maximum of

\$55.00 per day with receipts. We will make all deductions from the worker's paycheck required by law, but other cost such as room & board will not be deducted from paycheck. We will reimburse the H2B worker in the first workweek for all visa, visa processing, border crossing, and other related fees, including those mandated by the government, incurred by the H2B worker. We will provide all tools, supplies, and equipment required to perform the duties assigned without charge or deposit charge. To apply: E-mail your resume supporting all job requirements to Alaska Dept. of Labor, Job Order#\_\_\_ or general application indicating availability to [dol.flc@alaska.gov](mailto:dol.flc@alaska.gov).
