**JOB TITLE**

Landscape Laborer

**JOB SUMMARY**

Landscape Laborer. 4 temporary/full-time positions with Dynoske Landscaping LLC from 10/15/2022 - 12/12/2022.

Landscape or maintain grounds of property using hand or power tools or equipment. Workers typically perform a variety of tasks without close supervision, which may include any combination of the following: sod laying, mowing, trimming, planting, watering, digging, raking, mulching, and pruning; maintain or repair tools/equipment; installation of mortarless segmental concrete masonry wall units/similar, and installation and maintenance of low-voltage lighting. Must exercise independent judgment; may be asked to demonstrate tasks to other employees but position does not include supervision of other workers.

Must lift/carry 50 lbs., when necessary. Saturday and Sunday work required, when necessary. Post-hire upon suspicion of use and post-accident drug testing required of foreign and domestic workers. Valid driver's license not required for position, however, a motor vehicle check will be required for foreign and domestic workers who voluntarily drive company vehicles.

Requires three months of previous landscape experience.

Employer pays in advance or reimburses workers in the first workweek for all government-mandated and visa-related fees (excluding passport fees). For non-local workers (i.e., residing outside normal commuting distance), employer will reimburse inbound travel costs not already paid in advance no later than upon completion of the first half of the contract (the 50 percent point). Inbound travel includes transportation costs from worker's permanent residence or place of recruitment to the place of employment, a daily subsistence for meals, and reasonable lodging costs, if applicable. Subsistence reimbursements based on rates specified in the Federal Register (currently \$14.00 per day minimum, or \$59.00 per day maximum for workers with acceptable receipts). Transportation reimbursements based on worker's actual cost, not to exceed the most economical common carrier transportation costs for distances involved. Employer provides or pays outbound travel costs to same workers upon completion of the contract period or early dismissal, except where the worker has subsequent employment.

Employer guarantees to offer hours equal to at least three-fourths of the workdays in each 6-week period of the total contract period, beginning with the first workday after the worker arrives at the place of employment and ending on the contract end date or any extension thereof. Employer may count all hours worked, as well as any hours offered within the standard work schedule that a worker chooses to not work, up to the maximum number of daily hours on the job order.

Workers who voluntarily abandon employment are not entitled to payment for outbound travel costs or the full three-fourths period guarantee described above.

Employer will provide without charge all tools, supplies and equipment necessary to perform duties assigned. If needed, employer will assist in arranging optional worker-paid lodging for hired foreign and non-local U.S. workers.
