Work is full-time; Monday–Friday; 8:00 a.m.–5:00 p.m.; at least 40 hrs/week; Company uses a single workweek as the standard for computing wages due; workers paid once per week. Pay is \$19.92/hr - \$24.00/hr (higher rates possible based on experience or skill) with applicable benefits. Workers are eligible for overtime pay of \$29.88/hr - \$36.00/hr, equal to one and one-half times the regular hourly rate for all hours over 40 in a given workweek, which is not typical, but may be available based on weather conditions and business needs. Apartment-style shared lodging is available in employer-owned and/or employer-rented housing at a rate of \$85 per person per pay period (plus any extra expenses as agreed upon and consented to by the workers). Company will make all deductions from the worker's paycheck required by law, plus the amounts noted above for housing expenses for employees who choose them.

Job duties include the following: Perform tasks involving physical labor at construction sites related primary to exterior home repair; inspect structures or materials to identify problems or defects present on the construction site; as needed, may repair or replace siding, gutters, windows, soffits, and fasciae; may assemble and disassemble scaffolding; load and unload building materials, machinery, or tools; distribute materials to the appropriate locations according to project plans and specifications; read instructions and project plans to fulfill job duties; prepare and clean the construction site to eliminate possible hazards; perform other tasks related to construction work as requested; and abide by all safety guidelines.

Company will provide all tools, supplies, and equipment required to perform the job to workers at no charge. The costs of transportation (including subsistence and, to the extent necessary, lodging) from the place of recruitment to the place of employment will be reimbursed upon arrival (subject to repayment to Company if the workers do not complete at least one-half of the employment period). Company will reimburse H-2B workers in the first workweek for all visa, visa processing, border crossing, and other related fees, including those mandated by the government, that are actually incurred by the workers (other than those fees primarily for the benefit of the workers). Upon completion of the work contract or where a worker is dismissed earlier, Company will provide or pay for the worker’s reasonable costs of return transportation and subsistence back home or to the place the worker originally departed to work, except where the worker will not return due to subsequent employment with another employer or where the employer has appropriately reported a worker’s voluntary abandonment of

**employment. The amount of transportation payment or reimbursement will be equal to the most economical and reasonable common carrier for the distances involved. Daily subsistence will be provided at a rate of at least \$15.46/day during travel to a maximum of \$59.00/day with receipts. Normal work-related travel within the area of intended employment / normal commuting distance is required as necessary dependent upon business needs; daily transportation to individual worksites may be provided depending on location.
