Black Micro Corporation is looking to fill 15 Cement Mason positions in Tinian, Commonwealth of the Northern Mariana Islands. Work will be performed only at the Tinian International Airport, Tinian, Northern Mariana Islands, with no additional worksite. This is a temporary, full-time need and we are looking to fill these job openings for employment from 07/05/2024 to 07/04/2025. Terms & Conditions of Employment: Workers will be paid no less than \$8.94 per hour. Employer will apply any applicable overtime as needed and will be paid at a rate of 1.5 times base hourly rate. Employer will use a single work week (Saturday-Friday) as its standard for computing wages. Employer will offer 40 hours of work per week, depending on weather conditions. Monday through Friday. Work on weekends may be required. Hourly work schedule is 8:00 a.m. to 4:00 p.m.

Transportation: Employer will book and pay directly for travel to provide transportation from and returning to worker's place of residence as well as provide travel subsistence at a minimum daily rate of \$15.88 to a maximum of \$59.00 per day with receipts. Employer will provide daily transportation from barracks to the worksite location. Tools, Equipment & Supplies: The employer will provide workers at no charge all tools, supplies, and equipment required to perform the job. Three-Fourths

Guarantee: The employer guarantees to offer work for hours equal to at least three-fourths of the workdays in each 12-week period of the total employment period. The employer will make all payroll deductions from the worker's paycheck required by law and will not make any deductions which are not required by law. Workers will be reimbursed in the first workweek for all visa, visa processing, border crossing and other related fees, including those mandated by the government (except passport fees). Optional dormitory-style shared lodging is available for workers for which there is no cost or paycheck deduction to the worker. How to apply: Apply this job opportunity in person at CNMI Department of Labor Employment Services at Bldg. No. 1334, Capitol Hill, Saipan, MP 96950; Phone (670)664-3190 or online at <https://jobs.labor.cnmi.gov>

Job Description:

The employer is contracted by Department of the Navy to construct a runway project for the military at Tinian International Airport. For each of the job duties quoted, the masons will be building a concrete apron, concrete enclosures, and other miscellaneous concrete structures. They will smooth and finish placed concrete including on the slab, walls, and roof. The tools used include trowels, edgers, floats, and brooms. Read blueprints or drawings to calculate materials needed. Lay out patterns, forms or foundations according to plans. Break or cut materials to required size. Mix mortar or grout and spread it onto a slab or foundation. Clean excess mortar with trowels and other handtools. Construct masonry walls. Align structures, using levels and plumbs. Clean and polish surfaces with handtools or power tools. Fill expansion joints with caulking materials. Lay out and install rainscreen water systems. Place concrete on formworks, slab on grade and pavement, then provide required concrete finish. Apply curing compound or blankets for curing concrete.
